

**Cournale & Co.
LEASING SERVICES!**

For Commercial or Residential Properties

- **Market Expertise.** Provide “in-house” rent surveys to gage current market.
- **Effective Marketing.** Utilizes internet websites, company website and traditional on-site signs to help aggressively maximize market exposure.
- **Strategic Improvements.** Optimize your property’s potential! Our recommendations and vendor relationships result in quality offerings.
- **Negotiating.** Short-term? Long term? Effectively negotiating the best terms possible and looking after your best interests is our primary goal.
- **Leasing.** Careful and thorough tenant screening, assuring lease terms are clear and providing the most current disclosures.
- **Personal Service.** We take a personal, “hands on” approach to “your” business. So, whether it’s a simple inquiry or putting the final package and check together for you, we take “care” of business.
